

## STENTOFON Backboxes - 6020, 6031, 6030

### Functional Description

The 6020 is the standard aluminum mount box for all STENTOFON brand wall mount stations, including 60366, 7040, 7042, 7044, 7045. The 6020 may also be used as a utility surface box using a 6028 B cover plate.

The 6030 is a delux surface mount box, made of extruded aluminum. The 6030 may be used as a utility box using the 6028 blank plate.

The 6031 is a steel mount box, painted grey, with conduit knock outs top and bottom.
