- Long Life Blue Identification Light
- Bright Alarm Strobe Light
- Clear, Hands-Free Duplex Speech
- Line Monitoring
- ADA Compliant

62926-9 & 96257-9  
Station

### FUNCTIONAL DESCRIPTION

The #1030 CB-II is a heavy duty, wall mounted emergency intercom station housing with a constantly glowing blue identification luminaire. The CB-II provides an extremely bright blue flash strobe light activated on call-in, and space for a hands-free intercom station. The unit is tough, vandal resistant and designed for outdoor use on college campuses, hospitals, parking lots, shopping malls, industrial complexes and office walkways. The #1030, with the new #62927-9 or 96257-9 (see photo) will operate on Zenitel's AlphaCom or P-9600 security communication systems.
